

South Bay Family Health Care (SBFHC) is one of Los Angeles County's leading community clinics and largest safety net providers, offering high-quality low- and no-cost health care to underserved populations in the South Bay and South Los Angeles County. Founded in 1969 as the South Bay Free Clinic, SBFHC has expanded over the last 40 years to accommodate a growing patient base. It now includes four conveniently located health centers—Redondo Beach, Gardena and two in Inglewood—as well as a school-based clinic at Carson High School and a mobile health van, the Healthy Kids Express.

Our Services:

General Medical: Routine preventive care; diagnosis and treatment of acute and chronic illnesses.

Chronic Disease Management: Detection, monitoring and management of chronic illnesses such as diabetes, hypertension and asthma.

Women's Health: Gynecological exams and preventive care; STD screening and treatment; family planning services, including education and birth control options.

Prenatal Care: Comprehensive clinical and supportive care from physicians, health educators, nutritionists and social workers for expectant mothers.

Pediatric Care: Acute illness care, regular check-ups, immunizations, health education and nutritional counseling.

Dental Care: Preventive care, cleaning, x-rays, fluoride treatments, fillings and extractions. For adults and children five and older.

Social Services: Mental health, domestic violence prevention and HIV/AIDS treatment and case management provided through a combination of on-site services and referrals to community partners.
